

2014 Annual Report

United for a Stronger Academic Foundation

LISD Mission Statement

Lufkin ISD Education Foundation's mission is to provide opportunities for excellence in education, promote innovation in teaching, and partner with the community to enhance the quality of education for all students of the Lufkin Independent School District.

Enrich, Engage and Empower. Enrich our students, Engage our community and Empower our teachers. These are three elements in the formula for successful education that the Lufkin ISD Education Foundation has worked hard to support during our first year.

Our board hit the ground

running by undergoing our first annual fundraising campaign and by sponsoring our first academic awards banquet, Panthers of Prestige. During this banquet, our top twenty LISD graduates and the teachers, whom they chose to recognize as influencing them the most, were highlighted.

In August we kicked off the academic year by participating in the LISD Convocation and introducing our first teacher participation drive. We were completely overwhelmed by the positive reception we received from the teachers who generously gave more than \$31,000 of their own pay as a demonstration of support for the Education Foundation. This drive was confirmation of our mission to raise the bar on education and promote innovative teaching. In December we were thrilled to be able to award 6 innovative teaching grants to 11 teachers on 5 different campuses totaling almost \$14,000!

Consider how you might be a part of this winning formula to Enrich, Engage and Empower our students, teachers and our community. We invite you to give generously to the Lufkin ISD Education Foundation through: our annual campaign, a matching gift, or gifts in honor or in memory of a favorite teacher, friend or family member. Our sincere desire is to invest in our students within Lufkin Independent School District and to witness growth in knowledge, character and excellence. Be a part of the formula for success!

Please visit our website www.lufkineducationfoundation.org for more information.

mpact on Education

- \$13,730.82 awarded in innovative teaching grants
- Six dreams launched through funding for grants on five campuses
- Over 575 donor contributions from \$5 to \$5,000
- 20 top students and 20 educators of influence honored
- Thousands of volunteer hours donated
- Numerous students' academic future impacted

ducation Foundation Facts

- The Lufkin ISD Education Foundation is a 501(c)(3) non-profit organization. Donations are tax-deductible.
- The board is made up of volunteers from the community.
- While tax dollars support public education's operational budget, we provide additional funds through innovative teaching grants to further enhance and enrich the learning experience of students.
- Investment in Lufkin ISD is also an investment in our community.

Grant Celebration Day

With the LHS drum line leading the procession performing rhythmic beats, followed by the LHS Varsity cheerleaders shaking their pom-poms and chanting cheers, the Lufkin ISD Foundation Board members, LISD administrators, and community donors arrived at five different school campuses to surprise grant winners with oversized checks totally almost \$14,000 to fund innovative teaching projects. Foundation board members carried balloons, noise makers and signs to add to the overall celebratory atmosphere and mark the importance of the occasion. Screams of happiness were heard from the students and tears of joy were seen on the faces of teachers as each grant check was presented.

"It was such a magical day to see the complete surprise and excitement of all the grant recipients and their students," said Foundation Board President, Becca Chance said. "We were overjoyed to award funds for these worthy educational projects because we know each grant will further our mission of providing the resources teachers need to enhance the academic experience of our students."

Last fall fifteen instructional grant proposals were submitted to the Foundation Programs Committee. The committee, made up of current and retired administrators and teachers, as well as Foundation board members, reviewed the grants using a predetermined rubric scale. Of the 15 submissions, six well designed and well written grants were selected.

Vice President of Programs for the LISD Education Foundation, Lynne Haney, said they were impressed with the quality of grants and she encouraged other teachers to apply for grants in the fall of 2015. "We would like to see more teachers get involved in writing grants," she said, "because we know teachers are capable of generating so many creative and engaging instructional ideas which will add depth to standard curriculum."

The Foundation Board calls on all teachers to awaken their creative spirit and apply for the next round of innovative grants to be awarded. Applying for these grants empower teachers to dream big and then bring their dreams to life. The Prize Patrol is eager to make an appearance at another LISD campus soon!

2014 Grants Awarded

Seeing Science through a Different Lens

*Suzy Jungmann, Zoie Lovejoy, Faith Leger,
Jennifer Stover and Lindsey Milnor*
\$4,573.00 • Lufkin Middle School

The grant was awarded to cover the cost of 12 ProScope Wi-Fi microscopes to be used by science students at Lufkin Middle School. The mobile microscope is an innovative technology that is used by the medical field and by law enforcement for anti-counterfeiting, fingerprint analysis, narcotics, crime scene analysis, fire investigation and autopsy. Our students will gain a 21st century experience in the field of microscopy.

Preservation and Restoration Club

Gustavo Monsante
\$1,000.00 • Coston Elementary

This grant was awarded to bring awareness to students of the importance of our environment. The instructional unit will examine how our environment impacts our everyday lives, and how taking care of it and preserving it can be a benefit to one's self and the overall health of the community. Through teamwork and a desire to learn, this innovative initiative will involve the outdoors, the community and research. It will create community based projects that will enhance the environment while increasing the student's sense of self-worth.

You'll Love Lufkin – Butterfly Garden Capital of Texas!

*Jamie Mahan, Connie Shriver, Kathy Goehring,
Sarah Dixon and Rebecca Tucker*
\$1,000.00 • Dunbar Primary

“You’ll Love Lufkin – Butterfly Garden Capital of Texas!” This will be the official moniker of our town when our first and second graders complete their mission of having the Texas Legislature declare our community “The Butterfly Garden Capital of Texas.” Funds from this grant will get our initiative up and running. Just imagine the benefits students will reap! Not only math, science, reading, writing – but public speaking, community service, engineering, problem solving, and a lifetime of enjoying Texas nature at its best!

2014 Grants Awarded

Scientific Exploration Stations (Light Tables)

Elli Williams, Angie Rees, Mary Navarro,

Amber Moore and RaSundra Benton

\$2,352.90 • Kurth Primary

Authors of this grant wanted kindergarten students to have a strong background in STEM in order to prepare them for science subjects in the future and also prepared them to take on new challenges. The addition of a light board and numerous scientific and engineering supplies to kindergarten classrooms will jump start students in building vocabulary and skills that will be priceless to students' future success, said one author of the grant.

Climbing For Success

Cameron Seale, Krista Guzman

and Dorinda Wade

\$3,850.38 • Dunbar Primary

Ready, Set, CLIMB! The writers of this grant believe climbing activities such as wall climbing, students will learn to work cooperatively, gain trust in self and others and increase their self confidence. Climbing activities such as wall climbing provide opportunities for leadership development that can't be replicated in the traditional setting.

Alternatives for Our Future

Teresa Roe

\$954.54 • Brandon Elementary

According to Teresa Roe, author of this grant, "The need for sustainable energy resources is growing world-wide." She continues to explain that fossil fuel supplies are decreasing while their costs, both monetarily and politically, are increasing. This grant will allow students to become engineers and scientists that will develop ways to use alternative energies in efficient and cost effective ways. Introducing alternatives to fossil fuels in fifth grade is not only state mandated, it is smart. This project will give an exciting look into a future less dependent on fossil fuels.

Panthers of Prestige Banquet

Honoring LISD's Top Graduating Students and their Educators of Influence

The Panthers of Prestige Academic Awards Banquet was an evening to honor and recognize the top twenty students from the 2014 Lufkin ISD graduation class, as well as the selected educators who helped these students achieve success in academics and inspired them to continue to better themselves through knowledge. Held in May of 2014 at the Pitzer Garrison Civic Center, students' families and friends, along with LISD staff, teachers and community members gathered for an evening of celebrating these outstanding students and educators.

For their academic accomplishments, students were awarded a Panthers of Prestige medal and a commemorative book presented by LISD School Board members. The top twenty students distinguished themselves by their outstanding accomplishments in academics, leadership and service to others at school and in our community. All top twenty students have continued their education at higher learning institutions across the state and nation including Princeton University, Baylor University, University of Colorado, Texas A&M University, University of Texas, University of Texas-Dallas, Southern Nazarene University, Stephen F. Austin State University, University of Houston, and Texas Tech University.

The top twenty students honored their educator of influence whom they felt helped propel them in their quest for excellence in education. At the banquet, students read letters they wrote to their selected educator. One student

spoke about how his educator of influence "would stop at nothing to make sure that he was doing the absolute best job possible to put his students in the optimal position for each of us to succeed". Another student spoke of how her teacher emphasized the importance of being a lifelong learner. Other students gave examples of the wisdom, patience and guidance their teachers bestowed upon them. As a token of their appreciation, students gave their selected teachers a commemorative book signed by each student.

Tables were decorated in purple and gold with the Panthers of Prestige emblem on flower vase center pieces. Brookshire Brothers catered the event along with the assistance of LHS Cafeteria staff and LHS National Honor Society members who served almost 400 attendees. The Lufkin ISD Education Foundation Board hosted the event with board president, Becca Chance acting as the mistress of ceremony. The evening was capped off with a theatrical reading of Dr. Seuss', Oh, The Places You'll Go, performed by Pollianne Smith, LISD librarian.

The Panthers of Prestige Academic Banquet was made possible by the support of general sponsors, in-kind donations and table sponsors. We would like to thank the following businesses, families and individuals who share our vision of promoting quality education by supporting our teachers who enrich and enhance the education environment for our students and ultimately for our community!

Dollars for Scholars

Dollars for Scholars combined challenges and competition on and off the football field to raise **\$3,530** for the foundation.

Challenge donations were based on the number of

touchdowns made by the Panthers at home games.

Donor Patricia Jones won an iPhone donated by **Best Buy** and Austin Wright of Wright Motor Company was presented with a signed 2014 Panther football for being the largest contributor to the campaign.

High 5 Club

Teacher Convocation

"Giving Today to Strengthen Tomorrow"

More than 500 LISD teachers and staff members swarmed the Lufkin ISD Education Foundation booth at the annual LISD Convocation in order to sign up for the payroll deduction and show their support for the Foundation's goal of providing additional resources to enrich the education of LISD students. Held August 2014 at the Pitser Garrison Convention Center, LISD employees donated \$31,375.

In exchange for contributing \$5 per month to what the Foundation coined, "the High 5 Club," employees were given a specially designed T-shirt which could be worn by employees every Monday with jeans. Also, employees who had signed up for payroll deduction at the Convocation were put in a drawing for Apple iPads donated by **Best Buy** of Lufkin. Thank you LISD employees for your donations! It inspired many of your fellow peers and impacted many students!

**2014 Financial Summary
Annual Report
Lufkin ISD Education Foundation**

General Operations Fund:

Income	\$ 58,029
Expenses:	
Insurance	\$ 474
Academic Banquet, net*	\$ 452
Website/Social Media	\$ 2,215
Printing, Supplies, Postage	\$ 4,853
Teacher T-Shirts**	<u>\$ 3,455</u>
Total Expenses	\$11,449
Net General Fund Income	\$46,580
Less:	
Teacher Grants	\$13,371
Endowment Fund Transfer	<u>\$20,000</u>
Net General Operations Fund	<u><u>\$13,209</u></u>

*In May 2014 the Foundation honored the top 20 graduating seniors and their Educator of Influence at the Panthers of Prestige Academic Banquet. We raised funds of \$8,700 from table sponsorships and ticket sales. Our total expenses were \$9,152 for a net cost of \$452.

** Lufkin ISD educators donating \$60 to the Foundation were provided a Foundation T-Shirt.

In 2014, the Foundation received pass through grants benefitting Lufkin ISD in the amount of \$10,000 from the Simon and Louise Henderson Foundation for the dyslexic reading program and \$15,000 from the Pioneer Foundation to reimburse expenses paid for the establishment of the Lufkin ISD Education Foundation.

How to Donate

There are a number of ways to become an Essential Element of the Foundation and help strengthen the education of Lufkin ISD students. Below are options to choose from, which gives you the opportunity to select what best fits the method of giving that's right for you.

Lufkin ISD Education Foundation website sponsor (\$300/annually)

- Sponsorship includes your name and/or your business name and logo on home page of Foundation's website.

Panthers of Prestige Academic Awards Banquet

- Underwriting opportunities (\$500 and up). Your name and/or your business name will be included in all media and marketing materials including the evening's program booklet.
- Table sponsorship (\$350/table). Your name and/or your business name will be featured on table, displayed on sponsorship board, included in evening's program booklet and on Foundation's website.

Be an Essential Element by Giving to the Lufkin ISD Education Foundation

Underwriter of Instructional Teaching Grants

- Levels of underwriting: \$2,000 \$1,000 \$500
\$250 \$100 Other \$ _____

Donations of \$2,000 and more will have the name of donor included on grant. Your name and/or your business name will be included in all media and marketing materials including Foundation's website.

Give "In Honor" of a Special Person

Donate in the name of an educator, LISD alumni, family member or friend. It is a thoughtful way to honor that special person while helping others.

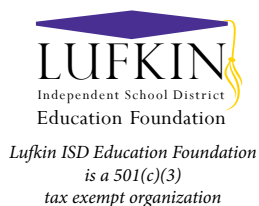

Give "In Memory" of a Loved One

Your gift will honor those loved ones who were dedicated to LISD and who want to be remembered by securing a bright future for other students and teachers. Your loved one's name will be included on Foundation website, on our donors' list in marketing materials and in annual report.

It only takes a minute to make a gift that matters. Please cut out attached form and check level of giving and designate where you want your gift to be used.

For your convenience, visit our website and use PayPal to make your contribution today.

*Let's join in the common goal of strengthening our schools in order to strengthen our community.
